[16:20] - [16:30]	**[Assignment for next week]** [assignment] | [Howard Zhou]	**Irving K Barber**

Additional Information

This will be a short meeting since we don't have anything to present and that's why I expect everyone to work on the project this week. If you're not familiar with the framework we're using, learn now. Remember that our first Milestone is on OCT.14.
